

Disclaimer: I hope you will find these notes helpful. They are not a complete representation of the meeting, but rather the highlights of topics discussed. Feel free to contact Erin Murphy or Zachary Burton at Westfield City Services Center: communications@westfield.in.gov or (317) 804-3001 if you have any questions.

MEETING SUMMARY 10-25-2016

Jim opened the meeting at 7 p.m.

Introductions – Jim Ake

Q&A – Jim Ake

Jim discussed budget process, road resurfacing. Question about schools/overcrowding: school is doing a study on needs that should be completed in December. Question about growth: Westfield residents need to think about how big their community should get - two sides to the issue and we need to be careful about our growth. Comment about signs in intersections: city should be more proactive about signs (East and 32).

Parks Department Info

The Parks Department is currently looking for volunteers for two upcoming events: Westfield in Lights and Melt the Trail events. If you are interested in participating, contact the Parks Department at (317) 804-3184.

Metronet Update – Chris Bluto

Chris explained the process by which Metronet fiber gets installed. Have been questions about the delay in work. Jim noted that the conversation needs to go higher and he will see what he can do to move the needle on this. People who have the service are very happy. *[Update: Jim contacted Metronet and they are looking into the situation and will get back to him.]*

Future of WeCAN Meetings – Group Discussion

The group broke into two groups to discuss the future of WeCAN. Feedback included how HOA's communicate with their residents and the city, what kinds of programs the group has found valuable over the years and what the mission of WeCAN is. Jim will review the comments and notes and have feedback at the next meeting.

Jim closed the meeting shortly after 8:30.
